

Hep B Hangout: Best Practices in Community-Based Hepatitis B Screening

Join Hep B United and local coalition partners on **Wednesday, October 29, 2014 at 3:00 pm EST** for a *Hep B Hangout*, a video chat on tools, resources, and best practices to address hepatitis B in at-risk communities.

Guest speakers working to address hepatitis B across the country will discuss effective strategies on conducting community-based hepatitis B screening and education. Join this interactive session to learn more about building community partnerships, setting up hepatitis B testing and educational events, follow-up and linkage to care processes.

DATE: Wednesday, October 29, 2014

TIME: 3:00 PM – 4:00 PM EST
